**Employment Opportunity**

The census is a huge and important task. Hundreds of thousands of temporary workers are needed to fill census taker positions. Aside from the sheer volume of people needed to support the largest civilian mobilization in the country, the Census Bureau hires local workers because they know their communities best and often have much in common with others living there. Most hiring will take place in the spring of 2010. The census is used in distributing hundreds of billions of dollars in federal funding to states and localities for public programs in education, community health care, public transportation, housing, and other areas. Even if you've never thought about being a census taker before, do consider this opportunity. Everyone can make a difference. These short-term jobs offer good pay (\$13.50 per hour in the Illinois Quad Cities and 12.75 in the Iowa Quad Cities), plus travel expenses), flexible hours, paid training, and reimbursement for authorized work-related expenses, such as mileage incurred while conducting census work. Best of all, census takers work right in their own communities. Census taker jobs are excellent for people who want to work part-time, those who are between jobs, or just about anyone who wants to earn extra money while performing an important service for their community. Apply today by contacting your Local Census Office or by calling 1-866-861-2010.

**John Lancaster Spalding Scholarship Fund Grants**

There are two opportunities to receive tuition assistance so that your student can take advantage of our wonderful Catholic education. Below you will find how to make it financially easier to take advantage of this opportunity: The first way to apply for tuition assistance is through the FACTS program. These forms can be obtained in the school office or online at [www.factstuitionaid.com](http://www.factstuitionaid.com). This step must be completed in order for you to have your Spalding application complete and ready to be reviewed. Tuition assistance scholarship grants from the endowment fund established as a result of the Diocese of Peoria ROOTED IN FAITH Campaign and named in honor of Archbishop Spalding, the first Bishop of Peoria, will be available for the 2010-2011 school year for students enrolled in or intending to enroll in grades kindergarten through 12 in any Catholic school located in the Diocese of Peoria whose families are members of a Catholic parish in the diocese. All grants will be based on financial need objectively assessed. Information about the grants and application materials may be obtained from any Catholic elementary or secondary school in the Diocese of Peoria or on the Diocesan website [www.cdop.org](http://www.cdop.org). Click on EDUCATION; then on OFFICE OF CATHOLIC SCHOOLS; and then on SPALDING SCHOLARSHIPS. Families of students currently receiving grants are reminded that all grants are for one year only, and anyone seeking to renew a grant for 2010-2011 must reapply. The application deadline is February 15, 2010. Notification of grant awards will be made by mid-April. If you need assistance on filling out either of these forms, you may call Our Lady of Grace school office at 755-9771 to set up an appointment. Please be assured that all the information you share will be confidential. We will be more than glad to help you every step of the way. We do not want finances to be a reason why you stop your students from growing in faith and knowledge through our wonderful Catholic education system.
